Gusev

Russia

28th of November, 2019

Dear Jane,

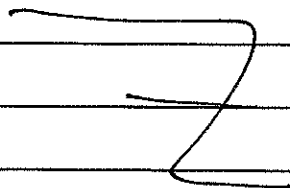

Thank you for your letter. I glad to get it. My native town Gusev is a very small, but you can see visit some place in it. Firstly, you can see the monuments in our town. For example, the most famous monument of Sergey Ivanovich Gusev. Secondly, you can visit our churches, this is an amazing sights. Thirdly, I can suggest you to go for a walk in our parks and forest, where you can see a beautiful nature. As the our town in not big, you can't see an underground here. The best means of transport in my native town is a car or a bus. The bus starts to work in the morning at 6 o'clock, that's why you can travel by bus even in the early morning.

I am looking forward for your letter

Write back soon.

Best wishes,

N....

If additional space is required, please use the reverse side of this paper
