Not long ago I had to choose a hotel for my relatives and but I didn't find any reviews about the local hotels so I visited all of them by my own. Now I'm ready to share my opinion about them and save your time.

Firstly you have to think what is the most important thing in the hotel for you. If you want to visit different excursions and museums you should choose "Royalsquare" because it is located in the center of the town that's why all places of interest are close to it.

It goes without saying that not all of the tourists want to live in a noisy center of the town. Some of them just want to relax and have a rest in a quite forest near the lake. The best variant for such people would be hotel - "Bear's forest" because this is a place where you can enjoy beautiful views of nature.

Hope you'll enjoy rest in my area.
