Hello,

I saw the announcement on your website and now I want to tell you about hotels in my region.

I don't know many hotels, but I can recommend two very good hotels in Kaliningrad. If you come just to relax and swim in the sea, I would recommend you hotel „Paradise“. It is located near the coast of Baltic sea. It is very comfortable hotel with various food, free access to the Internet and television. The numbers are cheap enough. And if you came to see different monuments and learn more about the history of my region, you should choose hotel „Kaliningrad“. Maybe it is expensive for some people, but it offers different excursions around the region, to the museums and other events.

I really recommend these hotels in my region for visitors, because I think that they are the best.
