Greetings

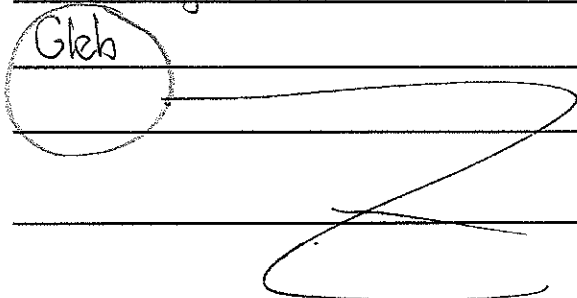

I've read your email and im ready to answer your questions. Since I dont travel all that much, I advise you to take my advice with a grain of salt. I live in a small town which isnt that popular with tourists, but we still have them none the less, so we have around 3 hotels in our town.

But I would like to talk about 2 hotels. The first one is called "Rominte" and its like your usual hotel. It got averag rooms, dining hall, recreation hall and the service there is pretty nice. I would recomend it to people who dont have all that much money, but would still want to stay in a nice hotel. The second hotel is called "King Palace" which already says that its much more richer than the previous one. The bedrooms are amazing, dining hall got some tasty Free food, recreation room is just amazing it got a billiard table megascreen tv and a big fish tank. This hotel is even got a sauna for those who willing to pay extra. It is obvious that this place is not for everyone, but if you got money to spare go for it.

And that everything that I had in mind, and i dont have anything worth of value to say, so im say my good bye and go to a cinema with my friends.

Kind regards

Gleb
