Writing

I would like to write a ~~rev~~ review on some of my local hotels. First of all I would suggest you to visit the most popular hotel in my town. It is called „Aelite“ and its reputation is really good. ~~among~~ This hotel has a ~~cafe~~ cafe in the buildings where the living rooms are situated, that's why you won't need to think much about the food. However this hotel has a pretty high price, so if you don't have ~~very much a lot of~~ much money you should rather choose another hotel. For the less rich people I will suggest a hotel called „Eco-rest“. It is ~~not~~ situated far from the town square but it has very nice rooms and a park near the hotel. I think that the first hotel suits rich customers and the second hotel ~~is suits~~ ~~customers that want to s~~ is very economic. In conclusion I can say that all of this hotels are worth living in them.
