Writing

Good afternoon,

My name is Dasha, i'm in class 9.B"
My school has money to spend on improving
the building and facilities. And my
class has an idea to spend this
money to buy more books or resources
(e.g. computers) in our library.

We think that's good idea, because
in our school a lot of ~~papers~~ children
like reading, so they interesting in
it.

And our students will get more
abilities to study, if we have more
computers and books. So our students
can be smarter and clever with it.

Then, if we have new techniques in our
library, we can get online-education.
That's very useful in our time.

That's our suggestions to spend
school's money.

Dasha, 9.B" class
