Mr Principle,

*zauena others*  
We are writing to you to suggest how money ~~to~~ on improving our school should be spent. There are some points that our class want to improve.

Firstly, we would like library to be extended. We consider that you should ~~&~~ change furniture there and chande lamps for a new ones. Secondly, we need more books at our library. There are no modern books with real information and modern statistics. We mean that we need much more scientific literature for our essays and reports. Thirdly, we need upgraded resources at our library. Our computers doesn't work <sup>as</sup> fast and effective as they should. *(zauena others)*

We hope that you will pay attention to our suggestions and our libraty will become ~~a~~ place where we ~~would~~ <sup>will</sup> want to spend time.

Sincerely,

N
