## Writing

Last month I watched a movie which really surprised me and now I want to express my emotions from this wonderful film and tell you some information about the plot, without spoilers, of course.

The movie is named "Lightning-Fighters" and was created by Maxi Nelly and her big company. This film wondered me a lot because it tells us a story about friendship between alien and human, so I've never seen movies with idea like that.

Central Figures of the plot are the alien who's name is Thronon and the girl Lana who studies in a physics university. Thronon came to Earth from the planet B-715, and his main target is to protect human beings from lightning and thunder. Thronon meets Lana, and they together create a system which will protect Earth.

But to know more you need to watch this movie, and I can say with confidence you will be surprised by other characters, for example Slime, Slings and else. So it's a really great film which I recommend to you!

Оценочные баллы: максимальный – 10 баллов; фактический – 7 баллов.
